

First snowfall of the season

by Bob Boucher, Nov. 2012

Silent snowfall in the night
reaching almost a foot in height
revealed at dawn's first light
a sparkling, dazzling delight
Cold, clean, immaculate, white
blemish free and blazing bright

A virgin landscape free from sin
A perfect playground to frolic in

First snowfall of the season

by Bob Boucher, Nov. 2012

Silent snowfall in the night
Reaching almost a foot in height
Revealed at dawn's first light
A sparkling, dazzling delight.
Cold, clean, immaculate, white
Blemish free and blazing bright,

A virgin landscape free from sin,
A perfect playground to frolic in.
