

# **Government Holidays**

*by Bob Boucher, March 2011*

There are six legal Holidays  
And all the rest are fake.  
We all observe our Memorial Day.  
Fourth of July we take.

We all enjoy our Labor Day  
And our Thanksgiving too.  
We all enjoy Christmas Day  
And love our New Year too.

But all these Other Holidays  
Government workers take  
Are paid for with our taxes  
and are thoroughly fake.

When you're paid for doing nothing,  
Just hanging at the mall.  
Just tip that waitress fifty bucks.  
Make sure the tip's not small.  
When she says thank you Honey!  
Relax it's not your money.
