

## *Jezebel*

by Bob Boucher, Sept 2012

Jezebel was spawned from Adams Rib  
With lofty sail and jaunty jib.  
Born a trickster that is for sure,  
confused our men, made them impure.  
She was the cause of fights and war  
and tribulations by the score.  
Men sought their piccolos to plant  
in Jezebel so warm and damp  
each one striving to be the first  
to plant his seed and quench his thirst.

While at the sidelines maidens moaned  
and in the fields the wounded groaned  
lives being wasted by the score  
and all for what, one painted whore.
