

## *American Cemetery Normandy*

by Bob Boucher 11/10

Yes Ike's Crusade to set men free  
from Hitler's evil tyranny  
Began right here in Normandy.  
Ten thousand brothers fell that day  
and here in France their bodies stay.

White crosses on a field of green.  
More crosses I have never seen.  
Protect our brothers lying here  
from further sorrow, pain or fear.  
Console their mothers day and night.  
Protect our brothers who still fight.  
Amen
