

The Arab Spring

By Bob Boucher, April 2011

All Up and down the Sacred Nile
our people saunter with a smile
Let freedom *ring!* Let freedom ring!
Our people sing, the Arab Spring.

The Tyrant's gone. The Arab dawn
is finally here this lovely morn.
Of liberation let us sing!
Let freedom ring! Let freedom ring!

The Coptic Christian and the Jew
you are beloved brothers too.
Sunni and Shia hand in hand;
we all reclaim our promised land.

Our promised land! Our promised land!
Our people singing hand in hand.
Of liberation let us sing!
Let freedom ring! Let freedom ring!
